

BinWash CUSTOM PLUS

Innovative

- 6 Stages of treatment
- Inhibits growth of bacteria
- Provides safer environment for the operator
- Uses water aeration technology to purify water
- No need to stop and clean during the day
- FDA21 Approved impregnated silver

The Best on the Market

Morclean have been developing wheelie bin wash machines for over 5 years and in this time have been developing the range based on what the user needs- a cost effective, reliable machine that keeps up with industry standards.

The Custom Plus machine not only offers this but exceeds standards. With an innovative 6 stages of water treatment using the most up to date aeration and filter technology, the Custom Plus model truly outshines its predecessors.

The only wheelie binwash machine with 6 stages of water treatment
