

BinWash DAILY

Morclean's range of Bin Wash machines are made with the operator and environment in mind.

Wheelie Bin Washers from Morclean provide users with an economical entry into the lucrative bin cleaning market. With just one machine you could see earnings of up to £165,000 per year- which make these machines worth their weight in gold.

**Quality finished.
Cost effective.
Purpose built.**

They are built to be easy to use and maintain. Simply place the bin on the lift mechanism, press the button to lift, clean out the bins whilst elevated with the attached pressure washer system and lower the bins with the button. Cleaning made easy.
