

## MCWMD 20/190

### Standard Features:

- 190 Bar – 2755 psi
- 20 Lpm
- Inter-pump 59 series pump
- Yanmar L100N diesel engine
- 1450 Rpm gearbox drive
- Electric start with battery
- Return to tank unloader valve
- Easy prime valve & chemical injector
- Heavy-duty trolley – 13" wheels
- Heavy-duty single lance
- 10m high pressure hose
- 3m heavy duty suction hose & filter

Designed with the professional user in mind, the MCWMD 20/190 is a robust and powerful diesel engine driven jet washer with the strength and power to tackle the hardest of jobs in all types of applications.

Boasting incredible performance and longevity, the MCWMD 20/190 has a world leading Interpump 1450 Rpm Triplex plunger pump driven via a 2:1 reduction gearbox and ultra reliable Yanmar engine.

Ideal for applications in industries such as; agricultural, food, heavy industry, machinery, vehicle cleaning, shipping, quarrying, petrol stations & oil forecourts.

### Technical Specification:

Water Flow: 20L per minute  
Pressure: 190bar, 2755psi  
Pump Speed: 1450rpm  
Chemical: Low Pressure  
Fuel Capacity: 5.4 Litres  
Weight: 109.5kg  
Dimensions (h x w x l): 72 x 62 x 110cm
