

MHM69 Compact

Ultra Mobile and Compact

- Tough GRP plastic chassis
- Efficient M1 boiler system with double spiral coil
- Internal chemical and fuel tanks

KEY SPECIFICATION

Hot Water
9ltr/min Water Flow
150bar Pressure
240v Power Supply
0-100°C Temperature

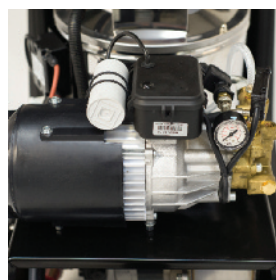

STANDARD FEATURES

- Tough GRP Plastic chassis
- GRP Plastic cover
- 2 large robust wheels and rear castor wheel
- Efficient M1 boiler system with double spiral coil
- Low pressure detergent system
- Internal chemical and fuel tanks
- Reliable Annovi Reverberi pump and motor
- High rewing 2800rpm motor
- Integral bypass valve
- Instant stop shutdown system
- Burner on/off switch and thermostat control
- Including 10mt high pressure hose, single lance with swash nozzle and heavy duty trigger

Great performance and compact in design, but with no compromise on quality. The MHM69 Compact is perfect for semi-professional hot water washing, including the cleaning and washing of vehicles and for use in small garages. Its Compact design allows for easy transportation and storage making it extremely versatile.

It has a reliable Annovi Reverberi pump and motor and an M1 boiler system giving up to 100°C hot water washing. It has an external thermostat for variable heat and can be used on either hot or cold.

MHM69

Water Flow	9lt per minute
Pressure	150bar, 2200psi
Motor Specification	3hp, 2800rpm
Chemical	Low Pressure
Shutdown System	Instant Stop
Temperature	0-100°C
Power	240v
Weight	80kg
Dimensions (h x w x d)	80 x 56 x 85cm
