

CUSTOM PLUS BIN WASH

THE BEST ON THE MARKET

Morclean have been developing wheelie bin wash machines for over 5 years, and in this time have been developing the range based on what the user needs, a cost-effective and reliable machine that keeps pace with industry standards. The BinwashCustom Plus machine not only offers this, but exceeds standards. With an innovative 6-stage water treatment process, using the most up-to-date aeration and filter technology the Custom Plus truly outshines its predecessors.

INNOVATIVE

- 6-Stages of water treatment
- Inhibits growth of bacteria
- Provides safer environment for the operator
- Uses water aeration technology to purify water
- No need to stop and clean during the day
- FDA21 Approved impregnated silver

FEATURES

- Lifts 2 x 240 litre domestic bins
- Lifts 1 x 1100 litre commercial bins
- Can lift hinged bins and roll-top bins
- Water recycling
- 6-Stages of water treatment
- Remote switching for easy use
- High-finish blue tank
- Galvanised steel interior/exterior
- Conforms to NAWBW and EA Guidelines
- Easily towable and lightweight

The only wheelie bin machine with 6 stages of water treatment
