

CUSTOM XL BIN WASH

The CUSTOM XL Bin Wash machine is designed for the easy cleaning of wheelie bins.

These Bin Wash Machines are incredibly easy to use, just fix the bins onto the lifting mechanism at the rear of the machine, press one button and two wheelie bins can be lifted and cleaned.

Once elevated the pressure washer is used to clean the wheelie bin and the Morclean system drains the excess water into a catchment tray in one simple process - water is filtered and ready to re-use throughout the day.

FEATURES

- 6 Stages of water treatment
- Unique silver filtration system that inhibits growth of bacteria
- Lifts 2 x 240 litre domestic bins
- Lifts 1 x 1100 litre commercial bins
