*The height can be an entirely customized size, as long as it's between 1000 mm and 5000 mm, made exactly to your own requirements. Please ask our sales team about this option.

EXAMPLE

NOW YOUR TURN

Plan of Chamber

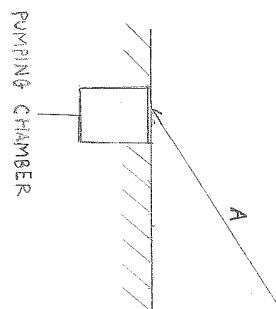

The inlets and outlets on the pumping chamber can be positioned exactly where required. These are inlet (C), outlet (F) and power inlet (G). On the diagram to the left, please indicate where you would like them placed. Also, in the table below, please enter the number indicating the placement. Please see example diagram far left if you are unsure how to do this.

Example Specification

C Inlet	6
F Outlet	2
G Power Inlet	8

Your Specification

C Inlet	
F Outlet	
G Power Inlet	

Placements - Please observe the diagram to the left and enter the distances required in meters.

A - Rise in Height (Head)	m
B - Any prior or subsequent reduction in levels	m
C - Total Linear Distance	m

Ground Level
